

May 4, 1933

LR 93, 94, 95
LB 602, 228

Attorney General trying to find out just exactly where we are. I am not sure...I am not sure but what there aren't problems that aren't going to surface later even on some of the 602 elements...elements on 602 that still remain in there but I am not going to interfere at this time with this.

SENATOR HABERMAN: Senator Kilgarin.

SENATOR KILGARIN: I would like to yield my time to Senator Warner.

SENATOR WARNER: Thank you. I was just going to comment further. The issue relative to the transfer of funds was held in 469, it is an issue that as I think I indicated the other day we have been working with the Governor's Office for some weeks and there will be an amendment put on one of the bills to correct those transfers consistent with the amendment on 469, consistent with what the Attorney General indicated some weeks ago would need to be done, and that can be done, will be done, but you couldn't correct it in 602 in any event or change it.

SENATOR HABERMAN: The motion is to suspend the rules. That takes 30 votes. All those in favor vote aye, those in favor (sic) vote nay. Have you all voted?

CLERK: Senator Haberman voting yes.

SENATOR HABERMAN: Clerk, please record.

CLERK: 33 ayes, 2 nays, Mr. President, on the motion.

SENATOR HABERMAN: The motion having acquired the prescribed number of votes, the motion passes. We shall now move to the Item 7 on the agenda, Final Reading, LB 43...yes, the Clerk shall read some things in the Journal first please.

CLERK: Mr. President, I have explanation of vote from Senator Marsh.

Mr. President, Senator Carsten would like to print amendments to LB 228.

Mr. President, new resolutions, LR 93 by Senator Newell. (Read. See pages 1946 and 1947, Legislative Journal.) That will be laid over, Mr. President; LR 94 by Senators Vickers and Pappas calls for a study of the insanity defense; LR 95 by Senators DeCamp and Landis calls for a study of consumers of energy in Nebraska and assessment of the advisability of
